Event Recap: Chef Jacob and His Pasta Action Station

Chef Jacob loves to create new things for the residents of Beach house. With his culinary skills Jacob created 8 different dishes for the residents to choose from. The sounds and smells of dishes filled the dining room creating a nice "touch of Italy" for our residents.

Beach House Golden Star—James Donnelly

Jim Donnelly is a resident of Beach house and has lived here for almost 2 years. Jim is the proud Father of four children, grandfather of 2 and great-grandfather of 2. Jim spent over 50 years volunteering in various organizations, (Kiwanis, Jaycees, Knights of Columbus to name a few). Jim worked at a utility company in Springfield IL for 40 years and was the "go to guy" whether it was his job or not. He was able to give guidance to a great many of the majority of 2,000 workers and because of his knowledge, he prevented the company from going bankrupt after the 1977 Easter Ice storm brought crippling effects to thousands of Illinois residents. When Jim and his wife Josette moved to Florida over 20 years ago, he saw the need for senior social and educational clubs so he started a 55+ club at 1 Senior place. Jim is always looking for ways to help others and improve things. One of Jim's greatest memories was proudly serving in the Army for his country. All of Jim's children retired from executive positions, including his daughter Kathleen who recently received her Doctorate of Business Administration. Jim is a very caring man, often concerned about other residents and their well-being, often offering to help someone less fortunate. Beach House is very privileged to have a man like Jim in their community!
